* The Ensign triple is a street legal racing tire for classic sports cars, such as MG T-series, Riley, BMW 328, Bugatti and many more. These tires feature a soft compound for the ultimate traction, and the 450H19 sizing replaces the vintage style 27x4.40 size tires. The tire is H speed rated for safe service up to 130 miles per hour. This a bias ply tire, and it is designed for use with a tube. TT = Tube Type Tires.
